Cedar Lane Paving to Begin

ELLCOTT CITY, MD – A Howard County construction project to mill and resurface a section of Cedar Lane between Little Patuxent Parkway and Maryland Route 32 in Columbia is scheduled to begin on or about Monday, July 26. Construction hours will alternate between daytime and nighttime, from 9 a.m. to 3 p.m. or 7 p.m. to 5 a.m. Weather permitting, the project is expected to be completed by Thursday, August 26.

This section of Cedar Lane is eligible and approved for repaving under the federally funded American Recovery & Reinvestment Act (ARRA), signed by President Obama in February 2009. A portion of ARRA funds received by the Maryland Department of Transportation is reserved for distribution to county governments for Federal Aid eligible projects on county-maintained roads.

Flagging operations will be in place to direct traffic as needed and variable message signs will be in place to advise motorists of the construction.
