Oakland Mills Road Paving to Begin

ELLCOTT CITY, MD – A Howard County construction project to resurface a section of Oakland Mills Road between Guilford Road and Snowden River Parkway in Columbia is scheduled to begin on or about Monday, July 12. Weather permitting, the project is expected to be completed by Friday, July 30.

This section of Oakland Mills Road is eligible and approved for repaving under the federally funded American Recovery & Reinvestment Act (ARRA), signed by President Obama in February 2009. A portion of ARRA funds received by the Maryland Department of Transportation is reserved for distribution to county governments for Federal Aid eligible projects on county-maintained roads.

Flagging operations will be in place to direct traffic as needed and informational signs will be in place to advise motorists of the construction and the new traffic pattern.

For questions or concerns about Capital Project H-2008, contact Lisa Brightwell, Public Works Customer Service, at 410-313-3440, or by e-mail to publicworks@howardcountymd.gov.
