Ten Oaks Road Lane Addition to Begin

ELLICOTT CITY, MD – A Howard County construction project to widen a section of Ten Oaks Road just north of Maryland Route 108 in Clarksville is scheduled to begin on or about Monday, June 28. Approximately 500 feet of Ten Oaks Road will be widened to include additional northbound and southbound traffic lanes. Weather permitting, the project is expected to be completed by late September.

Temporary lane closures can be expected. Flagging operations will be in place to direct traffic as needed and variable message signs will be in place to advise motorists of the construction. Additionally, a recorded message at 410-313-3638 will carry details and updates.
